HONORING THE NATIONAL SOCIETY DAUGHTERS OF THE AMERICAN REVOLUTION

### HON. JASON SMITH

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, August 22, 2017*

Mr. SMITH of Missouri. Mr. Speaker, I rise today to honor the National Society Daughters of the American Revolution, Sarah Barton Murphy Chapter, as they celebrate their 62nd Anniversary in Farmington, Missouri.

The chapter is an incredible asset to the community, especially as they commemorate the 130th Anniversary of U.S. Constitution Week, September 17 through 23, 2017.

To help preserve our American heritage through this national observance, the Sarah Barton Murphy Chapter encourages 5th grade students in St. Francois County to participate in "Ring Bells for Freedom." They promote county library displays and books on Colonial founders to help residents retrace the American story.

The Chapter asks all residents of St. Francois County to study our nation's birth through the events that led to the drafting of the Constitution and its signing on September 17, 1787.

The Sarah Barton Murphy Chapter of the National Society of the Daughters of the American Revolution works tirelessly to keep their communities aware of America's amazing heritage. I am honored to recognize the chapter today before the United States House of Representatives.
